

BLOWER MOTOR INFORMATION

The current Arctic Wind blower motor, [part # 880400930](#), is used on tables with a ROUND blower outlet and an on/off switch on the cabinet of the table.

Part # 880400926 is for a ROUND outlet blower motor with an on/off switch mounted on the power cord.

Arctic Wind blower motors with a square outlet are no longer available, but you may be able to construct an adaptor to use a round outlet motor on such a table.
