

Know your Hockey PCB

V7.0 – U.S. 110v tables Without sound

part # 880400125

Used on all current US tables without sound, replacement board for older PCBs, but the 12v Transformer must be replaced with the current 10v unit.

V9.0 – U.S. 110v tables With sound

part # 880400145
