**Classic-Style Score Beads combine with  
New-Style Game and Match counter**

In the interest of supplier reliability and the long-term durability our players and operators expect from Tornado products, we have redesigned the game and match counters on the Platinum Tour Edition Coin and T-3000 non-coin tables to use the Classic-Style beads, rods and posts.

**The "Goal Counter" uses a 7<sup>5</sup>/<sub>8</sub>" Score Post Rod**  
**– part # 20607502- click link to order**

**The "Match Counter" uses a 3" Score Post Rod**  
**– part # 20607501 – click link to order**

All other parts used are the same as the "Classic" Blonde & Black score post bead set well-known on Tornado products.
