ABOUT OLDER PRODUCTS

Many Valley pool tables have been produced over the last 50 years. Some current parts may require modification or customization to work on older tables. Some older tables may have been modified or customized, making use of current factory issue parts difficult or impossible. There is no warranty or guarantee that current parts will fit all older products. Tables prior to 1999 will require minor modification to use current model Valley cushion rails. Instructions are included with every set of cushion rails. Failure to follow these instructions will damage your cushion rails and is not considered a manufacturing defect.

SCOPE OF COVERAGE

Note that our warranty is not an unconditional guarantee for the duration. Valley, Dynamo and Tornado products are made to our exacting standards and known for their durability, but are not indestructible and may require periodic maintenance in order to function properly. The following are not covered by the warranty.

- 1) Shipping or transport damage
- 2) Normal wear and tear
- 3) Damage or deterioration resulting from neglect, misuse, accident, liquid spills, improper installation, abuse, pets or mishandling
- 4) Incidental or consequential damage (except at Valley-Dynamo's discretion).
- 5) Removal or installation charges.

- 6) Shipping charges except at Valley-Dynamo's discretion.
- 7) Unauthorized modification of the product.
- 8) Use of this product with unapproved parts, conversion kits or accessories.
- 9) Damage from fire, flood, lightning or other acts of nature

Specific note regarding batteries – the lead acid batteries in our Bill Acceptor tables must be charged periodically or they will fail prematurely. Proper maintenance is crucial. Please consult your Owner's Manual or the Pool School® section at www.valleydynamoparts.com for complete details on proper battery care and maintenance

EXCLUSION OF DAMAGES

Valley-Dynamo's sole obligation and liability under this warranty is limited to the repair or replacement of a defective product at our option. Valley-Dynamo shall not, in any event, be liable for any incidental or consequential damages resulting from interruption of service, loss of business or revenue, or for liability in tort relating to this product or resulting from its use or possession.

LIMITATIONS OF IMPLIED WARRANTIES

There are no other warranties, expressed or implied, including but not limited to those of merchantability, revenue generation, or fitness for a particular purpose. The duration of implied warranties is limited to the period specified in the Warranty Length section above.
